4 Days Jogja + Solo Twin Cities

Day 1: Singapore – Jogjakarta

Check-in at Singapore Changi International Airport and begin your holiday in Jogjakarta. Upon arrival at Adisucipto International Airport, you will be meet and greet by our local tour representative and transferred to the hotel. After hotel check-in, rest of the day free at own leisure.

Day 2: Jogja City Tour - Borobudur Tour (B, L, D)

After breakfast, spend your morning touring Jogjakarta, the former capital of Indonesia, visit **Kartono** the **Sultan's Palace** dating back to the 17th century. An active Palace that is defined as the center of the world where the culture and political heart of the city takes place in this walled royal enclave. You might be lucky enough to bump into the Reigning Sultan in person while he is taking a stroll down the Kraton Complex.

Follow by **Tamansari** water castle is located on about 1 km south of Yogyakarta Palace. Tamansari was built by sultan HB I and has been functioned as royal recreational park until Sultan HB III period. There were many facilities built in this complex including a bathing pool, man-made islands, an artificial lake, a floating mosque and forming small anchorage. Continue to the Ngasem traditional market, which also the bird market where you could see any kinds of bird and pets sold for Jogjanese.

Next, you will visit the **Kotagede**, which is located Southeast of Jogjakarta. Take your time to admirer the famous hundred years old traditional handicraft works and see the process of producing the beautiful silverworks. Then visit the traditional batik home industry to see the various kinds of Batik collection such as Batik paintings and Batik clothes are made and sold in this area. Nevertheless, you are able to see the interesting Batik hand-made process demonstrated by the local people for the visitors.

After lunch at local restaurant, continue your journey discover **Borobudur** temple, the biggest Buddhist sanctuary in the world. This is a famous temple dating from 8th and 9th century and was given a status of "World of Heritage" by UNESCO in 1991. It was built in three tiers all symbolizing the human being's stages. The base is a pyramidal base with 5 concentric squares terraces-the symbol of human being that are still bound by lust. The middle four terraces symbolizing human beings that have set themselves free from lust but are still bound to appearance and shape. On this terrace, Buddha effigies are placed in open space, while the other upper three terraces where Buddha effigies are confined in domes with wholes, symbolizing human beings that have been free from lust, appearance and shape. The top part that is monumental sputa symbolizes nirvana, where Buddha is residing. The walls are decorated with nearly 1500 fine narrative relief's panels, covering a total surface area of 2,500 square meters. Next, visit the magnificent Pawon and Mendut temples where you will find the only temple in the world with the Buddha statue in a sleeping position. Transfer back to hotel and rest and relax at own leisure after dinner at local restaurant.

Day 3: Solo City Tour - Prambanan - Malioboro (B, L, D)

Today after breakfast at the hotel, you will head to Solo – the sister city of Jogja visiting the Royal **Mangkunegaran Palace**, a complex that blends European elegance with Javanese architectural style and with its fascinating display of gold-plated dance ornaments, jewelry and wooden mask. Follow by Triwindu flea market and a traditional market Pasar Klewer, lunch at local restaurant. Stop at **Prambanan** Temple – biggest and most beautiful Hindu temple in Indonesia on the way back to Jogja.

Continue your journey to **Malioboro** - located in the heart of Yogyakarta city, which is well known as "Lesehan" means sitting on a mat having meals or drinks. There are many street vendors selling various kinds of souvenirs such as leather, wooden and silver handicrafts, batik clothes, and not to forget the traditional food in Yogyakarta. You can enjoy the local Nasi Gudeg, Sate and others special food, which is especially available at night. There's also Pasar Beringharjo or Pasar Gede in the southern part of this area. Last but not least, you can find many others shopping malls, restaurants, hotels and supermarkets for their local as well as visitors. Transfer back to hotel and rest and relax at own leisure after dinner at local restaurant.

Day 4: Jogjakarta - Singapore (B)

Breakfast at hotel. Free at leisure till your departure transfer to Adisucipto International Airport for flight to Singapore.
