Day 1 : Arrival in Hanoi – Hai Phong

Upon your arrival in Hanoi airport, travel 140km east to the coastal city of Hai Phong. Check-in to a hotel in Hai Phong where you will stay for 3 nights.

Day 2 : Hai Phong

(Breakfast)

Enjoy the best of golf in Hai Phong when you play 18-holes at the **Vinpearl Golf Hai Phong** which opened for play in March 2017. Designed by the renowned IMG Group, the two magnificent courses are situated on the beautiful island of Vu Yen, nestled in the eco-tourist hub of river waterways and nature parks. The 'Lakeside Course' is a scenic resort-style course with generous fairways, undulating greens and interconnected lakes that come into play on most holes. The 'Marshland Course', on the other hand is more challenging. This shot-maker's delight is carved out of natural open wetlands with traditional narrow fairways and medium sized greens.

After golf proceed for short city sightseeing and shopping tour in Hai Phong city.

Day 3 : Hai Phong

(Breakfast)

Be delighted as you play 18-holes at the **Ruby Tree Golf Resort**. Formerly known as Do Son Seaside Golf Resort, this course is located in the scenic coastal resort district of Do Son. The delightful 18-hole course layout is interesting with varied sized greens, artistically shaped bunkers and interesting fairway contours. Many lakes and streams that come into play, and the coastal winds provide additional challenges on the course. The closing 18th Hole par 5, which features a scenic but nery undulating island green, won the title of Vietnam's Best Par 5 back in 2010 – 2011.

Day 4 : Hai Phong – Departure from Hanoi

(Breakfast)

Cap off your Hai Phong golfing escapade with a round at the **Song Gia Golf Resort**. Built on a natural eco haven where the Gia River and Song Moc River meet, this championship 18-hole course is not particularly dramatic and is reasonably flat. The well-manicured lawns coupled with the gentle breezes blowing through this riverside course all make for an idyllic and enjoyable round of golf.

After golf, departure transfer to Hanoi airport for homebound flight.
