

Hi Sarah / Nancy,

This is Sally. You've helped to arrange for 6D 5N to taipei 2/2 to 7/2 for 3pax.

My mom, my daughter and i had a very enjoyable trip. The meals were good, special thks to you for going the extra mile to ensure vegetarian meals for my mom.

Managed to cover so many places yet it was not too rush. The local tour guide Mrs Hsu was awesome. Not only he is a good 'history teacher', he is a true comedian! He even brought us to lit firecrackers at an open park which Singaporeans rarely have a chance!

This trip was my third visit to taiwan but it is the best. It was well-planned, well-delivered and we had a whale of a time! Will seriously think of going the southern part of taiwan soon!

Thank you for making all the necessary arrangements, it was seamless in everywhere we go and there were no hiccups at all.

Thks again Sarah!❤️❤️🙏
