Day 1 : Arrival in Kunming (Dinner)

Upon arrival, our local representative will meet and greet you, escort you to the transport for your transfer to **Spring City Golf & Lake Resort**, check-in for a 3 night stay. You may like to drive the complimentary 30 driving range balls or take up the free 15 minutes local pro swing analysis. Welcome dinner will be served in the resort's Eagles' Nest Restaurant.

Day 2 : Kunming (Breakfast)

It's golf today at **Spring City Golf & Lake Resort**. The Jack Nicklaus designed Mountain course is the longer of the two at Spring City, with elevated tee boxes and greens, generous fairways roll out to bonus distances. However, a liberal sprinkling of bunkers and grassy hollows will catch any lapse in concentration and well contoured Bentgrass-covered greens will test your short game to the fullest. This is an enjoyable course for any level of golfer.

Day 3 : Kunming (Breakfast)

Play the more exacting Lake course at **Spring City Golf & Lake Resort**. This Robert Trent Jones Jnr design will test a golfer's nerve nearly every hole. Narrow fairways, crisscrossing trenches, green terraces, breathtaking lake views and a 150-yard elevation drop between Hole 1 and Hole 9, will have anyone marveling at the panorama and test of skill. When the strong winds blow from time to time, the golfer definitely has his hands full.

Day 4 : Kunming (Breakfast)

Play one of **Stone Forest International Golf and Country Club's** three courses. Leader's Peak, has a unique par 3 featuring an island green surrounded not by water, but the dramatic stone formations. Yufeng Ridge is the most elevated with views of the Yunnan countryside. The tournament level Masters Resort has grass-faced bunkers and greens with greater undulation. After golf, transfer to a city hotel and check-in for a one night stay.

Day 5 : Departure from Kunming (Breakfast)

Play any of these courses today: **Sunshine Golf Club** with its numerous elevation changes meanders through two valleys lush with native flora and fauna. Deviously canted fairways could see a well struck drive rolling into the rough or any one of the 63 bunkers, some of which are cavernous. Generously sized greens are fast with numerous subtle breaks challenge the golfer. **Lakeview Golf Club** is a Nick Faldo design shaped to challenge and interest, but rewarding especially the thinking golfer. The gently rolling fairways are wide, but well-guarded by striking bunkers, as are the greens. **Kunming Hot Spring Golf Club** has changing elevations over rolling hills surrounded by the woods. Fairways can be narrow and beware the hundred or so bunkers that will test your sand play. **Yunling Golf & Spa Resort** is a mix of open and wooded holes with prominent rock outcrops, including elevation changes of 600 feet.

At the scheduled time, transfer to the airport for your homebound flight.
