Royal Mingalardon Golf & Country Club

Royal Mingalardon Golf & Country Club is an 18 Holes Par 72 (7,200 yards) international standard golf course in Yangon. The 286 acre Royal Mingalardon Golf & Country Club is located 6 kilometers from the Yangon International Airport and 20 kilometers from the city center.

Each hole is unique to it and has an individual identity that I created exclusively using different water features, mature landscape and strategically positioned bunkers. A balance has to be struck by players between the picturesque area and direct golfing challenge. The well cut greens in the club provide a remarkable view while breathtaking trees make the club to be one of the most attractive in the area.

With a demanding attention to details and an artful combination of materials, finishes and design, this is one golf course in Myanmar that not only begs a second look: it demands it. The Royal Mingalardon Golf Club is able to satisfy those expecting a true, park-like golfing experience, paradise can be found right here par - 72, 7,000 plus yard championship golf course. Each hole boosting its own identity formed exclusively from water features, planned bunkering and an established landscape.
