## \* **Phuket Golf Packages** \*

Golf instructors tell students to hit the ball in the sweet spot, and that's sensible advice. For golfers across all standards, Phuket is undoubtedly the sweetest spot of all for hitting a golf ball. While other destinations in Thailand are also home to good courses, only in Phuket is it possible to enjoy world-class golf, plus sun-drenched beaches and coral-reef diving, all close to fine cuisine and a varied nightlife.

Many people visit Phuket to enjoy its water and sand. Golfers will find plenty of both on the island's courses, mixing a little pain with their pleasure. Regardless if you win or lose, Phuket is probably Thailand's best destination for magnificent warm-weather golf. The number of courses on the island is increasing and they are well-maintained and continually being upgraded. In addition, the facilities are excellent.
