## \* 4 Days 3 Nights 3 Rounds Taiwan Golf \* (Hakka Package)

### Day 1 : Arrival in Taipei

Upon arrival, our local representative will meet and greet you, and escort you for your transfer to your hotel where you will check-in for a 3 nights stay.

### Day 2 : Taipei (Breakfast)

Look forward to playing one of Taiwan's best courses, the **Orient Golf & Country Club**, where part of the golfing experience is teeing off from the grassed-over roof of the award winning clubhouse. A friendly challenge with most of the holes affording a direct view to the green, the course has wide undulating tree-lined fairways with water coming into play. The cleverly bunkered greens are smaller than the usual, well contoured, and fast. Those with good hands around the greens and a deft touch with the putter can expect to return a better scorecard. Consider the front nine a friendly warm up before moving on to the tougher and more feature-laden back nine that includes two long par 4s measuring 460 yards from the tips. The whole round becomes even more interesting when the wind decides to blow.

### Day 3 : Taipei (Breakfast)

Today's golf is at **Ta Shee Golf & Country Club**, where you'll walk in the footsteps of golfing luminaries such as Nick Faldo, Ernie Els and Tiger Woods, a testament to Ta Shee's championship pedigree. Robert Trent Jones Jnr affected a total redesign of the course for the 1999 Johnnie Walker Classic, resulting in a flowing and picturesque shot maker's course where only well-executed and well-conceived shots set up the best approaches. Ernie Els commented that Ta Shee had now made it on the list of world class golf courses. And a fellow named Tiger Woods said, "I'm very impressed that there is such an international-class golf course in Taiwan. The quality is super!" This Robert Trent Jones Jnr redesign is one of the best rounds of golf Taiwan has to offer.

### Day 4 : Departure from Taipei (Breakfast)

Before departure, play **Tong Hwa Golf & Country Club**, where the 7th hole was named one of "The 500 Best Holes in the World" by Golf Magazine. Close to mountains and by the Taiwan Straits, Tong Hwa commands great views on a layout which sees constantly changing terrain through each of its 18 holes. It is a challenging championship-level course that has hosted a number of prestigious tournaments like the Taiwan PGA Championship and Taiwan Mercedes Open. After golf, transfer to the airport for your homebound flight.
