Next, we head to the **Heritage Golf Club**, one of the best-ranked golf courses in Mauritius. Although the course has wide fairways and large greens, the hilly terrain and lakes and streams create plenty of excitement. Day 5 : Departure from Mauritius (Breakfast)

Cap off your Mauritian golfing adventure with a round at the **Avalon Golf Club**. One of the newest courses built in Mauritius, this rare 'in-land' championship course is sculpted from a terrain of tea plantations and ravines. The natural contours of the course, coupled with exceptional bunkering make this a fun course. Designed with the South-east trade winds in mind, all par 3s and 5s play in different directions ensuring varied conditions of play. At scheduled time, departure transfer to airport for homebound flight.
