The A-Course & B-Course is designed to offer a tropical golfing experience with its open and wide fairways. The C-Course is interesting with the flat terrain transformed into an undulating tropical links style, while the D-Course weaves through beautiful creeks and valleys.

### Day 3 : Bangkok (Breakfast)

Enjoy the **Suwan Golf and Country Club**, a delightful design situated on gentle rolling fairways with beautiful lakes that come into play on almost every hole. The course is a worthy championship venue, having hosted professional tournaments like the Asian Tour International and the Thailand Open.
