* 6 Days 5 Nights 5 Rounds Haikou Golf * (Bermuda Grass Package)

Day 1 : Arrival in Haikou

Upon your arrival in Haikou, head to the **Three Miles Golf Course**. Carved out of some 2,500 acres of volcanic terrain, the *Three Miles Golf Course* in Haikou weaves through a series of volcanic rock formations and natural lakes lending the course plenty of character. Look forward to an exciting round of golf amidst some scenic landscaping. Check-in to the **Mission Hills Resort Haikou** for a 2 nights stay.

Day 2 : Mission Hills Haikou

Be enthralled by the **Mission Hills Resort Haikou**, a destination golf resort featuring 10 x 18-hole courses and counting. Play at one of the *South Courses* at the resort, either the **#6 Meadow Links Course** OR **#7 Stone Quarry Course**. The layout of the **Meadow Links Course** has a geometric feel featuring “Church Pew” bunkers with large and fairly flat greens. The grass-faced bunkers and the surrounding

native shrubbery lend the course an open-meadow like feel. The **Stone Quarry Course** has a very distinct quarry and railroad theme, which features railroad-tie faced bunkers, steep rock walls and timbers. The course layout is short but challenging with 6 par-3s.

**(Optional - You may choose to play at the championship #5 Lava Fields Course with additional fee.)*

Day 3 : Mission Hills Haikou – Haikou

Play at one of the *North Courses* at the **Mission Hills**, either at the **Sandbelt Trails Course** OR **Vintage Course**. The **Sandbelt Trails Course** is inspired by the famous sandbelt courses of Australia in design. It features gently rolling fairways and vertical-lip bunkers, in addition to landscape of Australian wild grasses, Yuccas and scented Eucalyptus trees. The **Vintage Course**, on the other hand, is a traditional classic that plays through some heavily wooded areas and features some challenging pots, ridges and abrupt mounts. Check-out and transfer to a hotel in Haikou city for a 3-nights stay.

**(Optional - You may choose to play at the #1 Blackstone Course, the crown jewel of the resort's golf portfolio with additional fee.)*

Day 4 : Haikou

Play 18-holes at the **West Coast Golf Club**. Located on the west of Haikou city, this par 72 course is the first in China to be designed by the *Dye Design Group* (company founded by legendary designer Pete Dye). Generous and undulating fairways punctuated by water features and well-bunkered greens, make for an enjoyable challenge. Enjoy uninterrupted scenic views of the South China Sea from the 17th tee.

Day 5 : Haikou

The 5th and final round will be played at the **Meishi Mayflower Golf Club**. This *Colin Montgomerie* design was one of the first courses to be built in Hainan, occupying some 1,800 acres of land on the west coast of the island. Although it is fairly flat, the natural lakes, numerous bunkers and coastal winds will add some excitement to your round. Accuracy is key on this course with its elevated and well-bunkered greens.
