### Day 3: Departure from Kota Kinabalu (Breakfast)

Relax and enjoy playing last round of golf in **Dalit Bay Golf & Country Club**. Designed by Ted Parslow, the Dalit Bay Golf & Country Club's championship golf course is located within the 400 acres of the luxurious and popular Shangri-La Rasa Resort. The golf course is located approximately 30 kilometers or 40 minutes by car from the city of Kota Kinabalu and delivers an outstanding playing experience in lovely and natural scenery. The course was created to fit in with the local and natural environment of Sabah Malaysia and can easily compete with the world's great golf resorts. Mind-blowing views of Mount Kinabalu, South-East Asia's tallest peak are equipped with most holes and the best time of day to catch a glimpse of this peak is early morning before the daily clouds and fog roll in. The Sabah golf course is bordered by the Tambalang and Menagkabong Rivers and the surrounding area is mainly forested jungle and mangrove swamps. The sea breeze carries the cries of wild birds and dense jungle borders the immaculately manicured greens. The course curves through rivers, wild rainforest and wetlands. Much of it was thoroughly established from mangrove swamps. As you play the challenging course, you'll catch glimpses of the pristine Pantai Dalit Beach.

After the golf, departure transfer to the airport for homebound flight.
