The course's designers, Ron Fream and David Dale have compared the look of Pezula golf course to that of Gleneagles in the Scottish Highlands and Pebble Beach on the Monterey coastline. A terrain of rolling fairways, fynbos and eebrow bunker does, however, make it very difficult to walk this course (panic golf carts are provided for all golfers). The 5 different tee options on every hole cater for all skill levels. No 2 challenges, or views, are alike.

Signature Hole

The signature holes are the 3 holes built on the cliff top overlooking the ocean; the par 5 13th, par 4 14th and the par 3 15th. The par 4 14th is particularly challenging – it is short and requires you to lay-up before firing at the pin. The green is completely surrounded by bunkers so be careful not to overshoot out-of-bounds and over the cliff.

DAY 3: GEORGE – CAPE TOWN (Breakfast, Dinner)

Wake up for a fresh morning, you will tee-off for your 3rd 18-hole golf at **The Links – ranked no. 2 in South Africa**. Caddy is included. After golf, you will be transferred to George Airport for your domestic flight to Cape Town. On arrival at Cape Town Airport, you will be met by our

Cape Town representative who will assist with the private transfer to The Table Bay Hotel, en-route a **tour to Table Mountain** is included, subject to weather permitting. Tonight dinner at Sevruga Restaurant

Table Bay Hotel

The Table Bay is situated adjacent to the Victoria & Alfred Waterfront shopping and entertainment complex overlooking the Cape Town harbor and is 5 mins from the city centre. This is a 5-star, 329-room hotel and it uniquely responds to its magnificent surroundings. It has a maritime flavor that extends to each room and suite, which has sea or mountain views and is a luxurious port of call. The interior of the hotel presents a kaleidoscope of impressions, from the European marble mosaic of the entrance court to the intricate parquet floor of the foyer framed by the full-scale drama of Table Mountain, with the activity of the harbor in the foreground. Below the foyer to the south, is the grand lounge with its cathedral ceiling and twin fireplaces. A nearby dock, capable of accommodating an ocean liner, is at the threshold of the restaurant. The restaurant has a private dining bay and Wine Cellar, and panoramic views of the mountain range and harbor. Situated in Cape Town's vibrant V&A Waterfront, the Table Bay Hotel is a combination of Victorian elegance and contemporary charm. The Table Bay Hotel with its fine unique location in one of the world's most picturesque working harbor adjoins Cape Town's largest shopping centre with direct access into the V&A Waterfront and its fine restaurant, shops, galleries and boutiques. The Table Bay Hotel boasts spectacular views over the bay to Robben Island, and inwards to the city with its famous outline of Table Mountain.

DAY 4: CAPE TOWN (Breakfast, Lunch, Dinner)

Today you will enjoy your 4th 18-hole of golf at Stellenbosch, at **De Zalze Golf Estate**. Golf cart is included. After golf, a light lunch will be served at De Zalze Golf Club. After lunch, be prepared to enjoy wine tasting at **Ernie Els Winery**. Tonight enjoy your dinner fullest in true African style at **Africa Café**.

De Zalze Golf Estate

This int'l championship golf course, designed by Peter Matkovich, lies next to the Stellenbosch Golf Course in front of stunning mountains and surrounded by softly undulating vineyards. In our opinion De Zalze is one of the under rated gems in the Cape Winelands! The friendly club house atmosphere, combined with the great year round conditioning make this a welcome golfing retreat.

DAY 5: CAPE TOWN – JOHANNESBURG – SUN CITY (Breakfast, Dinner)

Morning transfer to Cape Town International Airport for domestic flight to Johannesburg. On arrival, you will be met by our Joburg representative who will assist with a private transfer to Sun City (approx. 2 hours) After check-in at Sun City Main Hotel, free time till evening, enjoy Asian dinner at Orchid Restaurant.

Sun City Main Hotel

The Sun City Hotel is the hedonistic heart of the Sun City Resort in the North West Province adjacent to the Pilanesberg National Park. From the moment one enters the foyer senses are assaulted by the bold design aspects and dramatic setting. The central area has been transformed into a jungle of lush foliage, cascading water and life-like boulders, encircling fast moving slot machines. The hotel's view comprises a magnificent landscape of subtropical gardens and a sparkling swimming pool.

The Sun City Hotel offers an astounding variety of dining venues that range from traditional Indian, Asian and South African flavours to pool-side snacks and everything in between. The hotel has a total of 340 air-conditioned rooms, which either face the internationally acclaimed Gary Player Golf Course or pool area, with gardens stretching down to Sun City's exciting Waterworld.

The hotel complex houses the jingling Sun City Casino as well as the Sun City Theatre. A stay here means never having to go very far to experience the fun and excitement that make the Sun City resort one of the most popular holiday destination in South Africa.

DAY 6 : SUN CITY (Breakfast, Lunch, Dinner)

Smile to a good morning and play your 5th 18-hole of golf at Lost City Golf Club, light lunch at halfway house and golf cart are included. Afternoon embark on a private **Big 5 Game Drive in the Pilansberg Reserve**. Evening set dinner at Santorini Restaurant

Lost City Golf Course

Lost City Golf Course, Sun City, North West Province, South Africa / The course was carved out of undulating and rocky terrain. Situated over a hill from the Gary Player Country Club, the Lost City's layout is different in character. With the wide fairways and receptive greens it is a fantastic golf experience for golfers of varying standards. The Lost City golf course covers more than 100 hectares and incorporates 28 000 square metres of water features - not surprisingly Golf Carts are compulsory.

SIGNATURE HOLE The most hazardous area of the Lost City Golf Course is the 13th hole. Inhabiting the water hazard are Nile crocodiles, some of them nearly two metres long. Golfers are discouraged from retrieving their wayward balls from the croc infested pool. The unusual water hazard is just one of the features that make the Lost City Golf Course exciting and interesting to play. No effort was spared to make the course a masterpiece

DAY 7 : SUN CITY (Breakfast, Lunch)

A relax day to have good game for final round of 18-hole golf at **Gary Player Country Club – ranked no.3 in South Africa** (home of the NedBank Golf Challenge). Lunch at halfway house and caddy are included.

Gary Player Country Club

The Gary Player Country Club is acknowledged as a difficult and demanding course. Since 1981 it has been home to the Nedbank Challenge. The course requires stamina and accuracy from players. The comparatively flat nature of the golf course is misleading - water hazards, cunningly sited bunkers and pins hidden away on kidney shaped greens makes up for the lack of gradient. The course is immaculate with generally wide kikuyu fairways and bent greens. Although this parkland course is fairly flat, the many water hazards, cunning sited bunkers (the fairway bunkers have just been deepened) and hidden pin placement make up for the lack of gradient. This course also cuts through the African bush leaving the fairways with only the bushveld as a border. **SIGNATURE HOLE** They're all good at the Gary Player Country Club, but for risk and reward the stand-out is the 9th. Play this par 5 from the forward tees and then have a go for the island green with your second and thrill to the challenge of this superb test of golf.

DAY 8 : SUN CITY – DEPART FROM JOHANNESBURG (Breakfast)

Free till transfer to Johannesburg Airport for your homebound flight.
