Day 1: Arrival to Dubai

Arrive in Dubai airport, your driver will meet and welcome you. You will be transferred to your hotel and check in for a 3 nights stay

Day 2: Dubai (Breakfast)

This morning, get ready to enjoy your first round of golf game in **Emirate Golf Club – Faldo Course**. The Faldo course is the second championship golf course at the Emirates Golf Club. A Nick Faldo 2006 restructured, it was initially opened in 1996 and was debuted The 'Wadi', taken from the Arabic word for 'valley'. In 2005, The Wadi was redesigned by six-time major winner Nick Faldo and the new 'The Faldo' re-opened in October 2006. A 7348 yard, Par-73 is a tough layout with a course rating of 76/139 ie a scratch player playing from the back tees would play 76-72= 4 over the course! The 139 rating indicates how tough it would be for an 18 handicap player & indicates a very tough course. This is a well-lit course & is a well-received destination even during the summer months.

Day 3: Dubai (Breakfast)

Relax and enjoy playing second round of golf in **Al Badia Golf Club**. Enjoy Dubai's premium golf experience on the 18-hole Al Badia Championship course; designed by famous golf architect Robert Trent Jones Jr. Fully utilizing the character and beauty of Arabia, the finely manicured grounds showcase a magical desert oasis theme, including 11 lakes, several ponds and numerous cascading waterfalls. Plants and trees are indigenous to the Arabian Gulf, while the "rivers of sand" concept adds further texture to the design providing a visual extension of the lakes and streams. The golf course poses a challenge even for the seasoned golfer but welcomes the recreational player.

Day 4: Departure from Dubai (Breakfast)

Challenge your last round of golf game in **Dubai Creek Golf & Yacht Club**. The par 71 course that measures 6,967 yards is an unforgettable journey from the first tee to the 18th green. The fantastically trimmed fairways are undulating, defined by hills, date and palm trees and water. Apart from the Creek, which comes into play on at least four holes, some synthetic lakes complement the beauty and toughness of the golf course. Fairways and greens are carefully maintained and trimmed which is a feature and it is highly difficult to par from tournament tees. The course is easier from the tees in front making it suitable for the novice golfers. While the length of the tee helps, the focus is undoubtedly on the accuracy of the approach shots because most of the greens are multi-tiered.

After golf, departure transfer to Dubai airport for homebound flight.
