Day 1: Arrive to Dubai

Arrive in Dubai airport, your driver will meet and welcome you. You will be transferred to your hotel and check in for a 3 nights stay.

Day 2: Dubai (Breakfast)

This morning, tee-off for your first round of golf game in **Al Ain Golf Club**. The Championship Golf Course offers a scenic and tough experience for all golfers. The carefully designed par 71 course measures 6858 yards from the black tees and 6281 from the blue tees. The Golf Course is highly reputable and professionally maintained and has hosted the MENA Tour Final in 2011, 2012 and 2013, a regional series for professionals and amateurs. For the novice golfers, other tee boxes provide a shorter layout while conserving the outstanding features and hazards of the course. Water hazards come into play on eleven holes with tactically positioned bunkers and desert sand requiring careful shot placement throughout the course. GPS equipped power carts ensure accurate yardage measurement from all points on the course. The last nine holes are fully floodlit giving the chance to play golf long after the sun has set and avoid the scorching sun.

Day 3: Dubai (Breakfast)

Relax and enjoy playing second round of golf in **The Address Montgomerie Dubai**. The course has progressed into one of the Middle East's most lavish and desired golfing destinations recently. The main reason for its success has always remained dependent upon the superb quality of the golf course. The Address Montgomerie Dubai's championship golf course was designed by Colin Montgomerie in association with Desmond Muirhead. The course covers 265 acres which consist of 123 acres of turf, 49 acres of man-made lakes (a total of 14 lakes), and 93 acres of landscaped gardens and is scattered with 81 large bunkers.

Day 4: Depart from Dubai (Breakfast)

Challenge your last round of golf game in **Arabian Ranches Golf Course**. The Arabian Ranches Golf Club is a challenge for golfers across all abilities. Miss the immaculate grass of the fairways and greens and you may very likely enter the bunkers. The course fully utilizes the natural terrain with its indigenous shrubs and bushes. Arabian Ranches (formerly known as the Desert Course) has a status among Dubai's golfing community. It was undeniably the harshest course in the country but yet enjoyable for all golfers. The golf course is constructed through the wide desert scrub and its rippling fairways which can be hard to make out from the tee due to the flatness of the land.

After golf, departure transfer to Dubai airport for homebound flight.
