From mild temperatures and beautiful scenic spots at Da Lat's holiday resort to warm climate and metropolitan appeal juxtaposed with old French colonial houses at the most populous city, Ho Chi Minh, Southern Vietnam has lots to offer. No matter the kind of experience you choose, you have to sample Vietnam's famous noodles, pho, which comes with a delightfully light yet flavorful broth and meat such as chicken or beef. With all that it has to offer, Vietnam is truly an all-rounder tourist destination that you will only fully understand when you visit all facets of it.
