Day 1 Arrival in Dublin (No Meal)

Upon your arrival in Dublin, private transfer from airport to accommodation. Overnight in Dublin.

Day 2 Dublin – Sligo (Breakfast)

Hotel check-out and move on to Sligo. Tee-off for first round of golf at **Enniscrone Golf Club**. Situated right beside the picturesque seaside town of Enniscrone with beautiful views over Killala Bay, this championship course is one of Ireland's finest authentic links courses. Known for having some of the largest dunes in Ireland, Enniscrone Golf Club is one of the most challenging yet awe-inspiring golf experiences. Twelve of the 18 holes wind through the tall shaggy dunes on the coast giving you a sense of isolation but tranquillity at the same time. The last four finishing holes are exhilarating and border the Atlantic Ocean. Not only has it been voted 17th in the top 100 courses in Ireland in 2010 but it was also ranked 13th in the top 25 Links Courses in Ireland in 2010. After golf, check into your accommodation in Sligo for 3 nights.

Day 3 Sligo – Mayo – Sligo (Breakfast)

Play 18 holes golf at **Carne Golf Links**, located in North Mayo on the West Coast of Ireland. This is the most North Westerly links course on the Island of Ireland that is continuously ranked within the Top 50 Courses in Ireland & Britain. Carne is regarded as one of Ireland's hidden gem links courses. It lies in magnificent unspoiled sand dunes overlooking Blacksod Bay and the wild Atlantic Ocean. The course is wild and natural, many of the greens and tees are silted naturally. The 6,700 yard links is not a simple out and back course. Each nine winds its way back to the clubhouse and the holes snake up and down through the Dunes in all directions. Carne golf links was the last links course to be designed by the late Eddie Hackett and it is believed by many who have played it, to be his greatest challenge. If you haven't heard of Carne, it could be your golf course find of the century!

Day 4 Sligo (Breakfast)

Play a game at the **County Sligo Golf Club**. The course runs in a north-south direction with the Atlantic Ocean running the entire length to the West. The prevailing wind on Rosses cannot be understated as it blows here like nowhere else! It is widely regarded as a great championship golf course that successfully combines breath-taking scenery and competitive play. The signature 17th hole is a long Par 4 that calls for an accurate drive to the right of the fairway, followed by play to the left up a steep uphill to the green which is preceded by a steep slope that rejects any short approach sending it back towards the fairway. With blind tee-shots, prevailing wind and out-of-bounds all coming into play, accurate judgment is required to tackle this stern test of golf!

Day 5 Sligo – Dublin (Breakfast)

Bid farewell to Sligo and make your way back to Dublin, the capital and largest city in Ireland. Check into your accommodation at Dublin City for 3 nights. This afternoon will be free to explore the city at your own pace.

Day 6 Dublin (Breakfast)

Enjoy a memorable round at **The Island Golf Club.** The Island is an exciting, challenging, tempting, and in our opinion the most difficult course in the Dublin area. The setting is beautiful, especially the back nine along the bay with scenic Malahide in the distance. The par-3 13th is an heroic challenge, a bit of Cypress Point or Kingsbarns except with the steeples of the village in the background. Our favorite hole is the #14, the former 1st hole, which starts from the site of the original clubhouse. A short par-4, with the fairway at its widest point, is a mere 15 paces across. Missing the fairway on the right forces the ball into the water hazard, while on the left is in deep rough. It is certainly the narrowest fairway in Ireland!

Day 7 Dublin (Breakfast)

The final round will be played at the world-renowned **Portmarnock Golf Club**. Founded in 1894, this traditional links golf course is an absolute treat. Having hosted many notable championships over the years it is widely considered to be one of the fairest links courses in the world. Sitting on narrow strip of dune land alongside a placid estuary, this course challenging with its fast greens and is particularly exposed to the windy elements with its flat and open terrain.

Day 8 Departure from Dublin (Breakfast)

Free till departure transfer from hotel to the airport for your homebound flight. Slan agus Beannacht Leat!
