Day 1 Arrival in Danang – Hoi An

(No Meal)

Meet and greet on your arrival at the airport in Danang, private transfer to a hotel in Hoi An where you will check-in for 2 nights stay. Free to explore this fascinating **ancient town** with Chinese and Japanese influences. Walk past many low tiled houses scattered along the small streets and assembly halls, which reflect the old town's multi-cultural past. Drop by the famous Japanese Covered Bridge, explore Trieu Chau Assembly House, 200 years old Tan Ky House and Historical Museum.

Day 2 Hoi An

(Breakfast)

Experience the best of Hoi An when you golf at the new **Hoiana Shores Golf Club** designed by Robert Trent Jones Jr. Set against a spectacular coastline and unspoiled natural terrain, this is a must-play course for any golf enthusiasts visiting the region. The 18-hole championship golf course is a links design with limited vegetation and rolling dunes, featuring holes along the stunning beachfront, offering majestic ocean views of the Eastern Sea and Cham Islands. The par 4 hole 16 is one of the most special holes of the course located right on the water's edge. The last hole 18th par 5 plays back to the clubhouse into the prevailing wind with water on the right and surrounded by dunes. Hoiana Shores Golf Club promises to bring you a challenging-yet-rewarding feeling when playing.

Day 3 Hoi An – Departure from Danang

(Breakfast)

Gear up for final round of golf at the **Vinpearl Golf Nam Hoi An**. Designed by IMG, this 18-hole Par 72 championship golf course was officially opened to welcome visitors since April 2018. The course is laid out on mostly flat terrain, with sea views from several of the opening and closing holes. There are many natural trees on site, with casuarina pine trees closer to the ocean and deciduous trees further inland to provide a nice contrast across the golf course. Challenge yourself as you play along with the links-style course featuring natural white sand bunkers, wide fairways and smooth winding green areas.

After golf, departure transfer to Danang airport for your homebound flight.
