Min. 4 Balls

### Day 1 Arrival in Phuket (No Meal)

Upon your arrival in Phuket, transfer from airport to accommodation and proceed to check-in for 2 nights stay.

### Day 2 Phuket (Breakfast)

This morning, gear up for 18-hole of game in the **Red Mountain Golf Club**. Red Mountain Golf Club won the 'Platinum Golf Course of the Year' award at the 2011 Hospitality Asia Platinum Awards (HAPA) in Singapore. Meandering its way through a truly dramatic 1400 rai (1 rai=1600sqm) former tin mine site in the heart of Phuket, Red Mountain Golf Club is certainly one of Asia's most exciting new courses. The course has been ingeniously designed to take advantage of a huge variety of landforms and dizzying elevation changes. Designer Jon

Morrow and co-designer Al Tikkanen have created a challenging 6,900 yard lay out to complement the shorter and gentler old Loch Palm Course. While the course is unquestionably difficult, the risk and rewards create a fun golfing experience, an adrenaline-charged test of skills and strength and an incredible picturesque tour around a course fated to be a golfing landmark in the region. Every hole poses a new challenge with a range of method to choose from to overcome them. It rewards those with a strategic approach and the skill to land a well-placed shot. On top of that, an exciting range of green presents itself with the newest, shade tolerant Bermuda Hybrid grass.

### Day 3 Departure from Phuket (Breakfast)

Today's golf is at **Laguna Golf Phuket**. Measuring 6,756 yards, this newly upgraded course features gently undulating fairways, large greens and a number of attractive lagoons with water coming into play on numerous holes. The surrounding mature woodland and stunning mountain views provide perfect backdrop to the golf course design. The front nine boasts tropical scenery, while the back nine features coconut groves and sand bunkers. The two finishing holes are the most challenging. The 17<sup>th</sup> hole is the signature hole which measures 612 yards, requires play at least twice over water. The beautiful par four 18<sup>th</sup> hole offers a chance for a finishing birdie with a well-struck shot. After golf, departure transfer to the airport for your homebound flight.
