Min. 8 Balls

Day 1 Arrival in Hokkaido – Sapporo (No Meal)

Meet and greet on arrival in New Chitose Airport, private transfer to a hotel in Sapporo city where you will check-in for a 4-night stay. In the evening, explore Susukino the bright-light district, one of the major red-light and largest entertainment districts in Japan.

Day 2 Sapporo (Breakfast)

Begin your Hokkaido golf escapade with a round at the **Hokkaido Brooks Country Club**. Beautifully sculpted out of the native slopes of the terrain, the undulating fairways and greens on this authentic handmade course present distinct challenges throughout 18 holes. One of the tougher courses in Hokkaido, accurate judgment and courage is key. In the first nine, the layout showcases a gorgeous contrast of white birch and Japanese pine trees, while the second nine is reminiscent of Scotland's links courses.

Day 3 Sapporo (Breakfast)

Play your second round at the **Sapporo Regent Golf Club**, situated on the base of the Sapporo hill ranges. Play 18 holes at one of the 3 charming courses here – the Old Course, the New Course and the Thompson Course. The Thompson Course, designed by renowned designer Peter Thompson, is a links style course with pot bunkers strategically located throughout this largely flat layout.

Day 4 Sapporo (Breakfast)

Cap off your Hokkaido golf tour with a round at the **Clark Country Club**. Named after Hokkaido's historic patron Dr W.S. Clark, this lush parkland style course features 27 holes located on the foothills of the Eniwa mountain ranges. The course is hilly with some inspiring elevation changes off the tee box. The rise and troughs of the course, together with the carefully placed bunkers and lakes make this an interesting and strategic course.

Day 5 Sapporo – Departure from Hokkaido (Breakfast)

Free till departure transfer from hotel to New Chitose Airport for your homebound flight.
