### Day 1 Arrival in Bandung

(No Meal)

Upon arrival, our local representative will meet and greet you, escort you to the transport for your transfer to **Mountain View Golf Club** for your first golf game.

Bandung's latest addition is the absolute jewel in the crown of Bandung golf and is a must-play. Do not be fooled by the Mountain View's lack of length, drives are onto undulating fairways, requiring forethought for the golfer seeking the short grass. With 5 par threes and 5 par fives, it's one of the more unusual par 72 courses that sits at an altitude of up to 1,200 metres above sea level, offering up a bird's eye view of the entire city. Most holes are stunning, but the 10th hole takes the cake; from some 80 meters above the fairway, a precise tee shot to a narrow fairway is required, before a dogleg right approach to a small green uphill. Multiple tee boxes per hole presents various risk reward routes for both the casual and highly skilled golfers. After golf, check-in to hotel in Bandung city for 4 nights stay.

### Day 2 Bandung

(Breakfast)

It's golf today at **Bandung Giri Gahana Golf & Resort**. Set at altitude with mountains in nearly every direction and beautiful hilly terrain, the golfer looks down onto the verdant emerald-green lushness of mountain firs punctuated by landscaped borders of flower beds, playing Bandung Giri Gahana is therefore a real treat, especially in the cool hours of the morning or late afternoon. A seemingly easy course with its wider fairways, the golfer can be lulled into complacency, only to be caught out by the potentially hazardous greenside bunkers. The layout is of immaculate quality with plenty of fabulous holes that tempt and trick; the 10th

which plays downhill and invites a big drive onto a tree lined fairway both left and right, and special caution is needed on the 16th hole to guard against a wayward drive entering the thick obstructive rough down the entire right side of the fairway.

### Day 3 Bandung

(Breakfast)

Enjoy a round of golf at **Dago Heritage 1917 Golf Course**, a stern test of golf skills and stamina. Perched on a mountain side, it is 18 challenging holes of steep uphill or descent to very narrow fairways, each of which are tiered like Balinese rice terraces and lined on each side by tall pines. The front nine extends down into a valley, positioning most tee boxes well above the greens, before the back nine plays back uphill to the clubhouse's eagles nest summit. There's never a dull moment at Dago Heritage 1917 Golf Course.

### Day 4 Bandung

(Breakfast)

Play final 18 holes golf at the **Parahyangan Golf Bandung**, the winner as the Best Golf Club Experience in Asia Pacific 2019 and Best New Course in Indonesia by Global Golf Awards 2020. Located 650 meters above sea level on an elevated 74-hectare terrain, this world-class 18-hole championship golf course is set amidst a highly dramatic mountain and valley landscape. It offers a beautiful vista and challenges like no other. Each hole presents different dramatic backdrop, offering golfers inspiration for the challenges each fairway, bunker and green brings. You will enjoy the play at course with fresh air of the highlands and its beautiful surroundings

of verdant rice paddies, picturesque lakes and rolling hills.
