### Day 1 Arrival in Bangkok – Pattaya

(No Meal)

Arrive in Bangkok, start your journey heading to Pattaya, you will enjoy your arrival golf game in **Parichat International Golf Links**. Opened in 2015, this 18-hole course is laid out on 214 acres of rolling natural terrain, which covers a wide area of manmade lakes, creeks and shrubland. The tricky layout of bunkers and water hazards, elevated greens and undulating fairways make this a very strategic course. Every stage in the course offers different challenging games. The signature hole is the par four 17<sup>th</sup> which plays over 400 yards, is the longest par-4 on the course. After golf, proceed to your hotel in Pattaya and check-in for 4 nights stay.

### Day 2 Pattaya

(Breakfast)

Gear up for 2<sup>nd</sup> round of golf game in **Wangjuntr Golf Park**. Test your skills as you choose from its two golf courses, the Valley Course or Highland Course. The Valley Course plays over 7,100 yards with a total of 72 par. The signature 11<sup>th</sup> hole at 694 yards, is one of the longest pars 5 in the world. The 14<sup>th</sup> hole is an unusual par five which plays on a hill with a rock wall blocking the greens from the tees, while the par three 15<sup>th</sup> is another interesting hole that plays to a heavily sloped green with a pond lurking on the right side. The Highland Course measures over 7,600 yards, making it the longest golf course in Thailand. This course is even more challenging than the Valley Course and has to be played to be believed! The standout holes here start from the 13<sup>th</sup> hole "Stairway to Heaven" through to the 16<sup>th</sup> "Breath of Forest", where the surrounding mountains, rain forests and lakes combine to create some of the most astounding golf holes anywhere in the world.

### Day 3 Pattaya

(Breakfast)

Relax and play a game of golf in **Siam Country Club – Waterside**. Golfers will experience creation of design in harmony with nature. With many water-feature holes, Signature Hole will be a memorable one. Course design will be strategic with locations of lakes and creeks in play. The back tee will challenge the best. At the same time, the regular tee will offer enjoyment for all golfers. The final hole is a great finishing hole playing around the large manmade lake in front of the club house. The 420 yard par-4 is a monster for any golfer, especially playing into the prevailing winds.

### Day 4 Pattaya

(Breakfast)

The three courses feature undulating fairways, plenty of water hazards, strategically positioned bunkers and elevated greens, with panoramic views of nearby mountain ranges. Pattana is home to not one, but two par 6 holes, which is very rare in Thailand. The signature hole is the 5<sup>th</sup> hole on the A-Course, which measured 663 yards.
