Arrive in Yangon airport, meet and greet by your personal tour guide. Proceed to check-in hotel for 4 nights' accommodation.

Day 2 Yangon (Breakfast)

Begin your Myanmar golf holiday with a game at **Yangon Golf Club**, one of the oldest golf clubs in Myanmar. The British established this club in 1909 by an unknown designer. However, the club has transited ages till today and is frequently maintained to give golfers greater experience. Many holes have been changed and several water reservoirs have been extended and constructed to continue the course survival through the harsh weather. Now, it can be played with reasonable conditions all year round.

After-golf itinerary is the **Yangon City Tour**. Drive through and discover the **city center** and its fantastic blend of architecture and sites. Historical buildings occupied the streets and many have a taste of the colonial attraction which cannot be found elsewhere in Asia. Start off at the **Post Office** – a beautiful historic building, passing by Strand Hotel, Mahabandoola Garden and Independence Monument along the way. Photo-stop at **Sule Pagoda** to snap some pictures, follow by visit the **Scott Market**, a bustling 75-year-old market to discover a wide range of

Burmese souvenirs, from lacquer ware to gems & jewelry. Tours continue to the 100-year-old beautiful **Rangoon Synagogue** where you will have the opportunity to meet the Trustee of Synagogue to learn the Jewish Life in Pagoda Land. Lastly, pop in for a visit in **Little India** and **Chinatown** to explore the interesting wares.

Day 3 Yangon (Breakfast)

Travel to **Yangon City Golf Resort**, also known as **YCDC Golf Club** and play a round of golf at the **Pondy Course**. Pondy (Myakantha) was opened in 1996 and spreads over 6,208 yards. Situated 40 minutes' drive north from downtown Yangon, it was designed by Han Golf Master himself the Executive Chairman of the Asian Golf Tour. This course is tough with narrow fairways and snug greens which require accurate shots to score well. The golf course is well-known for hosting the Asian PGA Tour in 1998 and 1999. With carefully and professionally maintained greens and fairways, it's certainly one of the better courses in the area and a course not to miss. Due to continuous upgrading of the course, it's playable all year through and fairway softness problems are negligible.
