Day 1 Arrival in Danang

(No Meal)

Meet and greet on arrival at Danang Airport. Experience the best of golf in Vietnam when you play at **BRG Danang Golf Resort**, a Greg Norman design consistently rated as one of Vietnam's top golf courses. One of Norman's personal favourites to play at, the course is reminiscent of the best of Scottish links and Australian sand-belt courses. Strategy is key around these well-bunkered and undulating greens, while its fairways are well protected by needle pines and trees. The signature 148-yard, par-3 16th, plays to a slightly elevated green framed by two of the course's deepest bunkers and against the backdrop of the South China Sea. After golf, transfer to a hotel in Danang city or a resort on Danang Beach where you will check in for 2 nights stay.

Day 2 Danang

(Breakfast)

Morning enjoy 18 holes at the **Montgomerie Links Vietnam**, a stunning modern links style course situated at the foot of the Marble Mountains on Vietnam's magical Central Coast. This Colin Montgomerie has received many awards and accolades and is widely considered to be one of the best courses not just in Vietnam but in Asia. Montgomerie has worked with the natural terrain of sandy soil, wind-blown dunes and indigenous vegetation to create a masterpiece and a sheer delight to have a round on.

Day 3 Danang

(Breakfast)

Golf at the exquisite **Ba Na Hills Golf Club**, designed by PGA Tour professional Luke Donald and managed by IMG. This world-class golfing facility is located at the foothills of the Ba Na Hills on Vietnam's famous Central Coast. The front 9 is more of a traditional parkland style, while the back 9 winds its way through the twist and turns of the native hillside terrain. The course caught the world's attention at the 2016 World Golf Awards, when it won the title of 'World's Best New Golf Course'.

Day 4 Danang – Hoi An

(Breakfast)

Be excited for a great game at the **Vinpearl Golf Nam Hoi An**. Designed by IMG, this 18-hole Par 72 championship golf course was officially opened to welcome visitors since April 2018. The course is laid out on mostly flat terrain, with sea views from several of the opening and closing holes. There are many natural trees on site, with casuarina pine trees closer to the ocean and deciduous trees further inland to provide a nice contrast across the golf course. Challenge yourself as you play along with the links-style course featuring natural white sand bunkers, wide fairways and smooth winding green areas.

Experience different hotel see and feel, try other chefs' breakfast, get to know more about the **ancient town** where you will stay the remaining 2 nights in Hoi An. Free to explore this fascinating historic town with Chinese and Japanese influences. Walk past many low tiled houses scattered along the small streets and assembly halls, which reflect the

old town's multi-cultural past. Drop by the famous Japanese Covered Bridge, explore Trieu Chau Assembly House, 200 years old Tan Ky House and Historical Museum

Day 5 Hoi An

(Breakfast)

Experience the best of Hoi An when you golf at the new **Hoiana Shores Golf Club** designed by Robert Trent Jones Jr. Set against a spectacular coastline and unspoiled natural terrain, this is a must-play course for any golf enthusiasts visiting the region. The 18-hole championship golf course is a links design with limited vegetation and rolling dunes, featuring holes along the stunning beachfront, offering majestic ocean views of the Eastern Sea and Cham Islands. The par 4 hole 16 is one of the most special holes of the course, located right on the water's edge.

The last hole 18 par 5 plays back to the clubhouse into the prevailing wind with water on the right and surrounded by dunes. Hoiana Shores Golf Club promises to bring you a challenging-yet-rewarding feeling when playing.
