At the foot of the tower is the Quwwat-ul-Islam Mosque, the first mosque to be built in India. A 7m high iron pillar stands in the courtyard of the mosque. It is said that if you can encircle it with your hands while standing with your back to it, your wish will be fulfilled. Thereafter, transfer to airport for your domestic **flight to Jodhpur**, the second largest city in Rajasthan, popularly known as the "**Blue City**". Upon arrival, meet and proceed for a tour of Jodhpur. Visit the famous **Mehrangarh Fort**, the most magnificent fort in Jodhpur, situated on a 150m high hill. It was built by Rao Jodha, the former chief of Rathore clan, in 1459. Standing sentinel to the city below, it overlooks the rugged and rocky terrain and houses a palace intricately adorned with long carved panels and latticed windows, exquisitely wrought from red sandstone. Continue tour to the **Jaswant Thada**, a beautiful marble memorial located adjacent to Mehrangarh Fort. It was built by Maharaja Sardar Singh of Jodhpur State in 1899 in memory of his father, Maharaja Jaswant Singh II, and serves as the cremation ground for the royal Rajput family of Marwar. Thereafter, transfer to the hotel for check-in.

### Day 3 Jodhpur – Jaipur (Breakfast)

#### Roadway To The Pink City

After breakfast, sit back and relax on the long drive to Jaipur, the capital of India's Rajasthan state. Jaipur is also known as the "**Pink City**" due the color of its buildings. Built by Maharaja Sawai Jai Singh II in 1727 CE, the city's plan followed a grid system, making it the only planned city of its time. Vidhyadhar Bhattacharya, a young Bengali architect, designed it as per the texts of the Shilp Shastra, an ancient Indian treatise on architecture.

### Day 4 Jaipur (Breakfast)

#### Explore The Beauty of Jaipur

Today, you will enjoy a sightseeing tour of Jaipur, which starts with a photo stop at **Hawa Mahal**, also known as "**Palace of Breeze**". It is the most well-known landmark of Jaipur city, built by Sawai Pratap Singh in 1799. This five-storey building overlooking the busy street is a fascinating example of Rajput architecture. It has 953 windows on the outside walls. The honeycomb shaped and beautifully carved windows allow breeze to blow through the palace and makes it a perfect summer palace. The construction of Hawa Mahal allows the royal ladies to observe everyday life and festivals celebrated in the street below without being seen, as they had to obey the strict rules of "purdah". Continue tour to **Amber Fort**, a UNESCO World Heritage site that sits atop a picturesque and rugged hill. This magnificent fort is an extensive palace complex that has been built with pale yellow and pink sandstone, and with white marble. Enjoy a wonderful **Elephant Ride** up to Amber Fort like the royalty of Rajasthan used to do. Next, visit the **City Palace of Jaipur** and the UNESCO-listed **Jantar Mantar**, an astronomical observation site constructed between 1724 and 1730.
