LETTER OF APPRECIATION

1. I would like to express my gratitude on behalf of my school. We went on a P. Tioman trip on 11.06.97, as arranged by your office, however, one of the students was denied entry because of her passport.
2. The student contacted your office and due to your office's efficiency, the student was able to join the rest on the following day.
3. Once again, I would like to thank your office, especially to Ms Shirley Teo, for her invaluable assistance, thus making the trip a very enjoyable one. Thank you.

Yours sincerely,

Alan Loh KL
