Cass,

my boys and I are all back to reality. I would like to commend that the golf courses were all great especially Nikanti and Bang Pa-in. Munangkaew is a little old with unpredictable greens.

Mr. Tent and his team also did a great job ferrying us around and accommodated small changes; like direct from course to dinner location.

Overall, a fantastic bonding trip.

we picked the hotel; not your fault. Breakfast was lousy, rooms a little shabby, shower no power/could never get the right temperature.....never recommend this hotel.

We are already looking at next year's destination. Recommendation welcome but preferably Asia with the same fun factor.
