Dear Cass, Pinnacle,

Just got back from our golf trip. Overall we enjoyed our trip. Thank You.

I thought of giving a bit of feedback for your consideration.

1) Tee time of late morning worked out fine in term of finishing the game around 5pm. Hanoi's around this period (late April) gets dark around 6pm. There were no time to stop for lunch, and we did not pack lunch. I would suggest that Pinnacle advise future group with tee time close to noon to pack lunch (like Banh mi).

2) Course feedback

i) Dailai Star has such poor greens, that really was a shame. I would not recommend DaiLai GC. **2 star**

ii) BRG Kings Island MountainView was underwhelming. After the boat ride, the course was a let down. Half the holes have a huge section immediately after the Tee boxes under-returfing (GUR). Fairway was a bit sparse - so instead of lush green fairway, you get thin grass. **3 star**

iii) Thanh Lanh is very very nice! Beautiful course with top rate fairway and proper green. **5 star**

iv) Long Bien course is a very good course! Good fairway, challenging green. **5 star**

Best Regards,

BK
