Hi Cass,

A wonderful golf tour experience in Danang. Beautiful golf courses, helpful caddies and perfect weather. Tour guide was fantastic. She always on time and take care us well. Tour guide was knowledgeable, friendly and accommodate to our request to buy things and to find foods which is not part of the itinerary. Transport and hotel were excellent which give us a stress free experience. Overall, it met our expectation. Thank you for an unforgettable golf holiday. We will definitely looking for more in the coming future.

Thanks.

Best Regards,

Mike Lee
